## **Resource Announcement** **Help for Victims of LA's Wildfires**

In the wake of the devastating LA County wildfires, it's clear that so many of our neighbors are in need of real, tangible support. Our heart goes out to everyone affected by this tragedy— individuals and families displaced, homes lost, and lives uprooted. It's overwhelming, but we're stronger together. To help those impacted navigate this tough time, we've pulled together a list of resources offering assistance—from emergency shelter, mental health, showers, food, mobile phones, and supplies to long-term recovery support.
